

Nash

Rob Nash, currently a road foreman in the Sylvania Township Road/Service Department, has been named the next superintendent of the department. The promotion will be effective Feb. 1, 2015.

His new duties will coincide with the retirement of Gregory Huffman as road / service manager.

Mr. Huffman's job title will be abolished and there is likely to be some re-organization within the department in the near future, according to John Zeitler, township administrator.

Mr. Huffman will remain, on a part-time basis, as a projects coordinator through 2015, Mr. Nash began with the township as a utility worker in 1999.

The department is responsible for maintaining roads, bridges and ditches in the township. They handle leaf and brush collection, plowing township roads, maintaining the township cemetery and are in charge of the annual household goods collection.
